For the purposes hereof:

- (a) “**Canadian financial institution**” means:
 - (i) an association governed by the *Cooperative Credit Associations Act* (Canada) or a central cooperative credit society for which an order has been made under section 473(1) of that Act, or
 - (ii) a bank, loan corporation, trust company, trust corporation, insurance company, treasury branch, credit union, caisse populaire, financial services cooperative, or league that, in each case, is authorized by an enactment of Canada or a jurisdiction of Canada to carry on business in Canada or a jurisdiction of Canada;

- (b) “**director**” means:
 - (i) a member of the board of directors of a company or an individual who performs similar functions for a company; and
 - (ii) with respect to a person that is not a company, an individual who performs functions similar to those of a director of a company;

- (c) “**eligibility adviser**” means:
 - (i) a person that is registered as an investment dealer and authorized to give advice with respect to the type of security being distributed; and
 - (ii) in Saskatchewan or Manitoba, also means a lawyer who is a practicing member in good standing with a law society of a jurisdiction of Canada or a public accountant who is a member in good standing of an institute or association of chartered accountants, certified general accountants or certified management accountants in a jurisdiction of Canada provided that the lawyer or public accountant must not:
 - (A) have a professional, business or personal relationship with the issuer, or any of its directors, executive officers, founders, or control persons, and
 - (B) have acted for or been retained personally or otherwise as an employee, executive officer, director, associate or partner of a person that has acted for or been retained by the issuer or any of its directors, executive officers, founders or control persons within the previous 12 months;

- (d) “**financial assets**” means cash, securities or a contract of insurance, a deposit or evidence of deposit that is not a security for the purposes of securities legislation. These financial assets are generally

liquid or relatively easy to liquidate. The value of a purchaser's personal residence would not be included in a calculation of financial assets;

- (e) “**financial statements**” for the purposes of paragraph (m) of the “accredited investor” definition must be prepared in accordance with applicable generally accepted accounting principles;
- (f) “**fully managed account**” means an account of a client for which a person makes the investment decisions if that person has full discretion to trade in securities for the account without requiring the client's express consent to a transaction;

- (h) “**person**” includes:

Accordingly, for the purposes of the net asset test, the calculation of total assets would include the value of a purchaser's personal residence and the calculation of total liabilities would include the amount of any liability (such as a mortgage) in respect of the purchaser's personal residence. To calculate a purchaser's net assets under the “accredited investor” definition, subtract the purchaser's total liabilities from the purchaser's total assets (including real estate). The value attributed to assets should reasonably reflect their estimated fair value. Income tax should be considered a liability if the obligation to pay it is outstanding at the time of the distribution of the security;
- (k) “related liabilities” means:
 - (i) liabilities incurred or assumed for the purpose of financing the acquisition or ownership of financial assets; or

STATEMENT OF POLICIES REGARDING SECURITIES
OF RELATED AND CONNECTED ISSUERS AND RELATED REGISTRANTS

National Instrument 31-103 *Registration Requirements, Exemptions and Ongoing Registrant Obligations* (“**NI 31-103**”) requires registered firms to identify and respond to existing material conflicts of interest and material conflicts of interest that can reasonably be expected to arise between the registered firm and its client. Potentially, a conflict of interest arises under either of the following situations: (i) a registered firm trades in or advises with respect to its own securities or securities in certain other issuers to which it, or certain other parties related to it, are related or connected; and (ii) a registered firm has a director, officer or principal shareholder that is a director, officer or principal shareholder of another registrant.

Statement of Policies Concerning Related and Connected Issuers

Spartan Fund Management Inc. (“**Spartan**”) is registered under the *Securities Act* (Ontario) in the categories of portfolio manager, investment fund manager, exempt market dealer and commodity trading manager.

In performing its services, Spartan may from time to time advise on or trade in securities of one of its related, connected or associated issuers. The investment funds managed by Spartan may invest in entities related to Spartan or purchase a security of an issuer in which a responsible person or an associate of a responsible person is a partner, officer or director.

“**connected issuer**” means, in respect of Spartan, an issuer that has, or any related issuer of which has, any indebtedness to, or other relationship with, (i) Spartan, (ii) related issuer of Spartan, (iii) director, officer or partner of Spartan or (iv) director, officer or partner of a related issuer of Spartan, that, in connection with a distribution of securities of the issuer, is material to a prospective purchaser of the securities. Accordingly, an issuer is “connected” to Spartan if, due to indebtedness or other relationships, a prospective purchaser of securities of the connected issuer might question Spartan independence from the issuer.

“**related issuer**” means, in respect of Spartan, an issuer of securities over which Spartan exercises a controlling influence (for example, through the ownership of, or direction or control over voting securities) or an issuer of securities that exercises a controlling influence over Spartan. In this context, the term “influence” means having the power, directly or indirectly, to exercise a controlling influence over the management and policies of the company, whether alone or in combination with one or more other persons or companies.

“**responsible person**” means, for a registered adviser, (a) the adviser, (b) a partner, director or officer of the adviser, and (c) each of the following who has access to, or participates in formulating, an investment decision made on behalf of a client of the adviser or advice to be given to a client of the adviser: (i) an employee or agent of the adviser; (ii) an affiliate of the adviser; and (iii) a partner, director, officer, employee or agent of an affiliate of the adviser.

The “Relationship Disclosure” section of the Spartan website (www.spartanfunds.ca) contains a current list of connected issuers (“Connected Issuers”).

In carrying on business as a portfolio manager and exempt market dealer in Ontario, Spartan may:

- (a) with the written consent of the client, cause an investment portfolio managed by it, including an investment fund for which it acts as an adviser, to purchase a security of an issuer in which a responsible person or an associate of a responsible person is a partner, officer or director;
- (b) with the written consent of the client, exercise discretionary authority to buy or sell securities of Spartan or other related or Connected Issuers (this consent will be obtained once during every 12 month period);

- (c) make recommendations in respect of securities of above-noted funds or other related or Connected Issuers; and
- (d) sell securities issued by any of the above-noted funds and other investment funds managed by Spartan or its affiliates.

In addition, Spartan or other related parties may act as principal or agent in respect of securities purchased or sold by or to clients of Spartan.
